## *Belt Ceremony Policy*

- *Effective June 15, 2009, the following policy will be in effect for receipt of belts after testing:*
- *We strongly encourage all students to attend their belt ceremony. It is tradition for the student to receive the new belt from their instructors and receive recognition for their accomplishment from their peers.*
- *Students may only miss the belt ceremony if prior permission is received.*
  - *You must check in with the office staff to receive permission (please do not discuss the belt ceremony with instructors in the classroom, go to the office or call instead).*
  - *You must give the reason for your absence. Only students with legitimate reasons will be excused (ie. work, travel, illness, etc.).*
- *If you miss the ceremony with permission from the office you must attend a class of your own belt level the following Monday (or any Monday following the ceremony) to receive your new belt. You may also opt to wait for the next belt ceremony.*
- *You may make arrangements to attend the belt ceremony at our alternate location (this must be done at least one day in advance).*
- *If you miss the belt ceremony without permission you must attend the belt ceremony the following month to receive your belt.*
